

## Government of Canada Covid-19 Border Measures

Here is a quick summary as it stands today (Nov 17, 2021), however when you travel we urge you to follow the Federal Guidelines at the time:

**FOR ANY UNVACCINATED PERSON(S)** no matter the age:

**14 day quarantine (below is what he/she can do) :**

- **visit uncrowded public settings such as parks, beaches or going for a walk**
- **gather outdoors on your own property with people from multiple households**
- **gather with a small group of people from outside the household who are all known to be fully vaccinated**
- **take uncrowded public transportation such as a taxi, or rideshare provided masks are worn at all times by all parties**
- **accompany you to essential settings such as a grocery store or pharmacy**

**Not allowed to do:**

- **not attend school, camp or daycare- THIS INCLUDES ORGANIZED SPORTS (Confirmed by PHU)**
- **not attend large or crowded settings, indoors or outdoors, such as an amusement park or sporting event**
- **not take buses, subways, trains or other crowded transportation**
- **not attend a setting where they may have contact with vulnerable people (e.g. long term care facility), including people who are immunocompromised, regardless of that person's vaccination status or public health measures**
- **stay in a place that allows the child to avoid all contact with any person that:**
  - **has an underlying medical condition that makes the person susceptible to complications related to COVID-19**
  - **has a compromised immune system from a medical condition or treatment; or**
  - **is 65 years of age or older**
- **limit contact with others:**
  - **remain with their fully vaccinated parent or guardian, as much as possible**

**VACCINATED:**

**If a person is fully vaccinated they are allowed to resume without Quarantine**

**See the Government of Canada website for further information:**
